

Born and raised in Buenos Aires Sebastian first landed on a TV set while studying film studies at the University of Buenos Aires. After gaining his degree he pursued several courses in design, architecture and history of art.

Since 2003 worked as art director and production designer on commercials feature films, music videos and drama projects bringing to each project his passion and enthusiasm .

He speaks fluent English and obviously Spanish. He works in projects for both the local and the international market ,thus he has filmed all over Latin America and Europe.

Over the course of his career Sebastian has worked with many directors and cinematographers and production companies all of whom have helped develop his professional viewpoints.

And also treasured great relationships all over the years.
